Fa. Rinn Beton- und Naturstein GmbH & Co. KG
Rodheimer Straße 83, D-35452 Heuchelheim

paving stones made of concrete
RINN1 - PzSpz 65-2005

DIN EN 1338:2003 including amendment 1:2006

Usage as indoor and outdoor floor covering and on the roof

Fundamental Features	Performance		
	as outdoor floor covering	as indoor floor covering	as floor covering on the roof
reaction to fire	-	class A1	-
external fire performance	-	-	sufficient
release of asbestos	not given	not given	not given
flexural tensile strength	fulfilled	fulfilled	-
skid and slip resistance	sufficient	sufficient	-
durability of strength	sufficient	sufficient	-
durability of skid and slip resistance	NPD	NPD	-
weather resistance	class 3 (D)	-	-
thermal conductivity	-	$\lambda_{10, dry} = 1,56 \text{ W/(mK)}$	-

Additional product information (not subject of the CE identification)

maximum difference between the diagonals	class 2 (K)
abrasion resistance	class 4 (I)
